THE EDITOR'S DESK

Welcome to the third year of the Upshaw Family Journal. I believe our new appearance is quite enhancing and reflects the high genealogical standards of our organization. As our Bicentennial year begins, I pause to thank all of you, our members, who have nurtured our organization and I look forward to many months and years of friendly contact with so many wonderful Upshaw relatives.

I have had several inquiries regarding the availability of back issues of the Upshaw Family Journal, so I herewith present a list of the various issues and the number of remaining copies of each, as of 1 Jan 1976:

Vol I #1, 14 copies	Vol II #1, 22 copies
Vol I #2, 18 copies	Vol II #2, 27 copies
Vol I #3, 16 copies	Vol II #3, 27 copies
Vol I #4, 19 copies	Vol II #4, 28 copies
Vol I Index, 24 copies	Vol II Index, 30 copies

If anyone has a favorite library or Upshaw relative they would like to send an issue or a volume to, they might wish to do so now, before our supply is depleted. A complete volume, including index, is \$8.00; single issues are \$2.00 each; indices are \$1.00 each.

I have a copy of the book Earnest Willie, or Echoes From a Recluse, by William D. Upshaw; published 1901, 690 pages. This book contains "The Letters, Poems, Addresses, and Sketches - Chiefly Moral and Religious - with bits of Laughing Humor, Smiling Fancy and Tender Sentiment", and has several illustrations. If any readers are interested in buying a copy of this book, they may write me and I will try to locate a copy at one of several book shops in Atlanta. The cost should be no more than \$6 to \$8 and I will be glad to assist anyone who wishes a copy.

I especially ask everyone to read the announcement of the Upshaw Family Group Record Sheet Program elsewhere in this issue. This constitutes the most stupendous effort ever made to gather data on Upshaw families and organize them. I earnestly hope everyone will use this opportunity to have their own Upshaw family members included in our Upshaw records. Please give this program your most serious consideration.

I want to thank everyone for their Christmas and holiday wishes which added to our joy of the Christmas season.

Next issue: Colonial and miscellaneous Virginia records!

Best wishes for this new year.

LETTERS TO THE EDITOR

Dec. 22, 1975
Rockvale, Tenn.

Dear Mr Brooke;

First I want to compliment you on the wonderful job you are doing with the Upshaw Family Journal. It is just wonderful and I enjoy every word in it.

As I was reading Vol II #4, on page 108 I found the query about Adkins Upshaw, which is my family. Charity (Patton) Upshaw is my third great grandmother. She moved to Williamson County, Tennessee, in 1801 with her father and mother, James and Margaret (Wilson) Patton, from Elbert County, Georgia. She later married William Allison in 1808.

Concerning the estate settlement of Adkins Upshaw, I believe the administrator James Patton was the father of Charity, since her brother James would have been only 19 or 20 years of age at that time and I believe the Samuel Patton to be her uncle, since her brother Samuel would only have been 10 years of age at that time in 1800.

Now to the words "following T. Loveletty to Carolina"; what do you think this means? I have never been able to find the marriage of Charity Patton and Adkins Upshaw. They had only one child, Rebecca Upshaw, who married Rev. John King of Bedford County, Tennessee. In my research there, it is about a year or so from the time they sell their land in Burke County, North Carolina, until they buy land in Elbert County, Georgia. I have always thought perhaps they stopped off in South Carolina and since you mentioned the Drury and Peter Upshaw of Pendleton District, South Carolina, this makes me more positive than ever, since Rebecca (Upshaw) King's second son (my great grandfather) was named Robert Drury King. What else do you know about this Drury Upshaw?

I do hope you will be able to help me out with this. I will be glad to send you all the information on Rebecca Upshaw.

Thanking you in advance and I do wish you and your family a very merry Christmas.

Sincerely,

Gladys W. Farris

Dear Sir;

I am most interested in tracing the ancestors of Sallie (Upshaw) Waring, daughter of John Upshaw who was born 24 July 1715 in Essex County, Virginia, and died there 23 July 1801. He was a member of the House of

Burgesses when Francis Waring was elected a member. (Colonial records in House of Burgesses).

The above Sallie (Upshaw) Waring was the third wife of Robert Payne Waring, who was born 13 Oct 1746 in Essex County, Virginia, and died there on 17 June 1799.

John Upshaw's wife was Mary Lafon, who was born 5 July 1744 in Essex County, Virginia, and died there in 1807; they married circa 1762. I note that this John and Mary (Lafon) Upshaw family was printed in UFJ, Vol II #4. I need notarized copies of the source of information of the birth, death, and marriage dates of John and Mary (Lafon) Upshaw, in order to properly complete my application to enter the Colonial Dames on this John Upshaw line.

Regarding Sallie Upshaw (1770-1828), my records only state that she married (first) Robert Payne Waring, son of Thomas Waring and grandson of Thomas Waring I, as his third wife and she married (second) "a _____ Bridges" in Versailles, Kentucky. This is from a family record that came from his descendants in Woodford County, Versailles, Kentucky. This Woodford County date or family record does definitely state (with no source of reference) that William M. Bridges was the son of Sarah Bridges - not her husband; he executed deeds in Kentucky while a Virginia resident in 1833.

Very Cordially Yours,

Mrs. Carroll M. Redford

(Editor's note: Can someone send the documentation of John and Mary (Lafon) Upshaw to myself and to Mrs. Redford?)

MEMBER'S ROSTER

CORRECTION CORNER

Mrs. Grace E. Jared notes that in UFJ, Vol I page 75 (from her book They Met Challenges ... With Memoirs, page 38), the following should be added above line 13 from the bottom of the page:

"The youngest son of Edwin and Patsy (Harrison) Upshaw was Robert Upshaw."

Mrs. M. M. Twitty notes that in UFJ, Vol II page 113, the Edward Ward Upshaw sketch under Marshall County, Mississippi, should correctly read as follows:

"The 'Edward W. Upshaw' enumerated in the 1850 census of Marshall County, Mississippi, is Edward Ward Upshaw, the first son born to A. M. M. Upshaw and his first wife, Martha Ann Jones. Edward and Mary Louise (Bradford) Upshaw, who married in 1846, had one son, Alexander Bradford Upshaw, who was born in 1850 in Marshall County, Mississippi.

THE UPSHAW FAMILY GROUP RECORD SHEET PROGRAM

The Upshaw Family Association of America is proud to announce the launching of it's Family Group Record Sheet Program. The objective of this program is to collect family group sheets from as many members of the Association as possible, especially concerning any families other than those listed in the inventory below. We are particularly in need of family group sheets of the more recent generations.

There are three blank family group sheet forms in this issue which I ask each member to fill out as completely as possible for their own family, their parents family, and for their grandparents family, or for any Upshaw family not listed in the inventory. Please do not be hesitant because your data may be sketchy or incomplete - simply securing the names and dates of the family members will provide a good framework on which to build further research and will help formulate the lineage of recent Upshaw descendants. Group sheets for families with surnames other than Upshaw (descended through a female Upshaw) are also needed and will be added to the "Allied Families" file.

Please give proofs for statements on the family group sheets on the reverse side of the sheet. It may be that you cannot offer documentary proof for a statement (vital record, Bible record, tombstone record, will or administration, census record, deed record, obituary, etc.) where you have relied on family tradition. In that case, please state the source of the tradition.

Please complete the sheets as fully as possible and return them to the Editor at your earliest convenience; if additional sheets are needed, they will be furnished upon request.

Hannah Upshaw

24V1111: (proceedings);

Lucas Brodhead, son of Lucas Brodhead and of his wife, Mary Cordelia Upshaw Price, was sixth in descent from Captain Daniel Brodhead (of the family of that ilk, created by James II Lords of the Manor of Monk Britton in Yorkshire), who came to America in 1664, as a "Captain of Musketeers", in Colonel Nickoll's expedition against the New Netherlands (see Mr. A. A. Bowmar's admirable article in the "New York Genealogical and Biographical Record", April, 1915).

Lucas Brodhead, the father of the subject of this sketch, migrated from Ulster County, New York, to Kentucky in 1820, and, settling at Frankfort, the capital, became, in time, one of the leading lawyers in the state.

Through his mother, Miss Price, young Brodhead was allied by blood to many of the oldest Virginia families, "gentry-folk", as they used to be called in the old days - for her mother was Hannah Upshaw of Essex County, daughter of that John Upshaw, whose name occurs so frequently in the "Journals of the House of Burgesses", and who was also one of the Signatories of the famous "Articles of the Westmoreland Association", drawn by Richard Henry Lee and presented by him to a meeting of restive patriots held at "Leedstown", in Westmoreland County, February 27th 1766 - the first public defiance in the Colonies of the odious "Stamp Act"

Worthy Sir,

It's with much concern I am constrain'd to address your Excellency in relation to the taxes due from this County. I have lately been Sheriff, & am apprehensive my Deputys have not paid up quite so punctually as they ought to have done; tho' all the Importunities I was capable off have been used by me to stimulate them in the Collection of the taxes for 1788 & 1789, which were the years they were to Collect for me. They have promis'd to pay up now the balance of arrearages due for these years, & if so, hope your Excellency will be of opinion the damages ought to be remitted, as it hath been very difficult to make Collections for these years in our County; & if contrary to my expectation, there's any balance left unpaid, I will use my utmost exertions to have it paid up immediately. I am aged, & at present a little infirm - otherwise, should have waited on the Honorable the Executive personally.

I am, with the greatest deference,
Your Excellency's most obedient Serv't.

Hon'bl. Sir,

I am informed that an appointment for a successor to Mr. Elias Langham, at the Point of Fork, is to take place soon by the honorable executive. I am a candidate for that appointment, being sure that I could officiate in the business as well as any man in the world, as I am conscious I possess my former principles & integrity which conducted me in public life so as to obtain the approbation of a number of great and good Patriots, I have ventured to trouble your excellency once more, (for which my singular situation in life will apologize to a benevolent & Patriotic breast). I should have done myself the pleasure to have waited on each of the Hon'bl. Gentlemen personally, & have produced satisfactory credentials, but am engaged just now in a kind of business I cannot leave, but if I am so lucky as to hear when this is done, I mean to attend. Meantime I shall humbly hope for your approbation to this attempt.

I have the honor to be,

Your Excellency's most obedient H'ble Servant, & c.

P. S. - I think the above employment would suit me extremely well, & I am certain it might be done for less, consistent too with the dignity of the matter.
