

The Editor's Desk

This issue contains Upshaw records for miscellaneous states from Alaska to the District of Columbia, Hawaii and Idaho that have not had much previous coverage. The 1880, 1900, 1910 and 1920 Census Soundex indexes are included for all of these and some "stray" Upshaw families have been located which should help many researchers. The California marriage and death records are substantial and I think they will be very useful.

The next issue will continue with records for miscellaneous states from Florida to Montana, including Indiana and Kansas, two states that have substantial Upshaw records.

Please support the new *Upshaw Family Journal* with your subscriptions and your Upshaw lineage and family group sheets.

California Death Certificate Index, 1905-1995; compiled from handwritten indexes for 1905-1929 & 1930-1939 and from microfiche indexes for 1940-49, 1950-59, 1960-69, 1970-79, 1980-89, and 1990-95. These were reported by a professional researcher at the California State Library and compiled into a single alphabetical list by Ted O. Brooke. Ages are given in the indexes only for deaths from 1905-1939. This list is also useful for ordering copies of obituaries from local newspapers in the particular counties.

Copies of individual death certificates are available (in 1999) for \$8.00 from the California Dept. of Health Services, Office of Vital Records, 304 S Street, P.O. Box 730241, Sacramento, CA 94244-0241.

California Marriage Certificate Index, 1949-1986 (Grooms & Brides); compiled from handwritten indexes for 1949-1959 and from microfiche indexes for 1960-69, 1970-79, 1980-85, and 1986. Although the California Office of Vital Records has statewide marriages from July 1905 to 1986, only the index from 1949-1986 is available to the public. These were reported by a professional researcher at the California State Library and compiled into single alphabetical lists for Upshaw grooms and for Upshaw brides by Ted Brooke. These lists are also useful for ordering marriage notices from local newspapers in the particular counties.

Copies of individual marriage certificates are available (in 1999) for \$12.00 from the California Dept. of Health Services, Office of Vital Records, 304 S Street, P.O. Box 730241, Sacramento, CA 94244-0241.

Headline: Vic Upshaw, 50, was innovator of modern jazz dance.

Obituary: PARIS (AP) – American choreographer Vic Upshaw, who brought modern jazz styles to France in the mid-1960s, has died in Paris of a long illness, his family announced yesterday. He was 50.

Upshaw died of a serious stomach disorder Nov. 5, according to a spokeswoman for a dance society he worked with.

Born in Birmingham, Ala., in 1940, Upshaw played minor roles in the 1958 film version of “South Pacific” and in actress Judy Garland’s version of “A Star Is Born” before moving to France in 1964. Upshaw designed new routines for the Blue Bell Girls at the famed Lido cabaret. His own dance group, the Vic Upshaw Six, was a staple for years on French television variety shows. He taught steps to some of France’s best-known showbusiness personalities, including Catherine Deneuve, Sylvie Vartan, Pierre Mondy and Jean-Claude Brialy.

In recent years, Upshaw had brought French cabaret styles to this side of the Atlantic, splitting his time between homes in Paris, Los Angeles and Hawaii.

Upshaw was buried last week in Les Batignolles, a suburb of Paris.
