The Editor's Desk

This issue of the *Upshaw Family Journal* is the first issue of a long-awaited Volume 12. It is being prepared in January 2018 and, hopefully, a timely schedule can be maintained in the future.

This issue of the *Upshaw Family Journal* contains all references to the Upshaw surname in Kentucky for 1800 through 1940 and in Tennessee for 1810 to 1940 in the United States Federal census population schedules, as found on digital images, *Ancestry* (<http://www.ancestry.com>: accessed in December 2017, citing various NARA micro publications. These have been alphabetized by given names by the compiler. Also included is a "Narrative Report" of an early Upshaw family with extensive Tennessee connections, Middleton Upshaw & Catherine Lucretia ("Lucy Ann") (Colquitt) Upshaw, with as much documentation as has been currently located.
