The Editor's Desk

This issue of the *Upshaw Family Journal* contains all references to the Upshaw surname in Texas for 1850 to 1940 in the United States Federal census population schedules, as found on digital images, *Ancestry* (<http://www.ancestry.com>:) accessed in January 2018, citing various NARA micro publications. After the chaos of the War for Southern Independence, many Southerners went west to find new lands and to leave old memories behind. These have been alphabetized by given names by the compiler.

Texas Census Indexes 1850-1940

Texas was created as a State in 1845;
the first Federal population census was taken in 1850.
